# TERMS / INDEX

## Section 1 General Scope / Offers

1. Our sales and delivery terms shall be exclusively applicable; terms to the contrary or terms deviating from those of the purchaser will not be recognized by us, unless we have expressly agreed to their validity in writing. Our sales and delivery terms shall also be applicable if aware of terms to the contrary or terms deviating from purchaser's terms we will without any proviso carry out the delivery to the purchaser. An assignment ban in the Buyer's conditions is expressly refuted.
2. Any agreements entered into between us and the purchaser with the intention of implementing the contract, will have to be defined in writing.
3. Our purchasing and delivery terms shall also be applicable to all future transactions with the purchaser.
4. Our offers are net and free. Contracts will be entered into upon receipt of our written order confirmation, latest when the goods have been delivered. We can accept orders within four weeks.

## Section II Prices, Freight Charges/ Payment Terms

1. Prices are net plus German value added tax (V.A.T.) and freight charges ex works or ex warehouse, unless anything else has been expressly specified in writing.

For orders exceeding a net goods value of Euro 750.-, Brilliant will not charge any freight expenses. In case of a net goods value of Euro 750.- or less, Brilliant will charge a global freight rate of 7% of the goods net value for domestic deliveries, however at least Euro 12.50.

2. Payment of the purchase price shall take place within the agreed term, within ten days after receipt of invoice net, unless agreed differently.
3. Bills (promissory notes), and checks will be accepted by us only upon prior agreement and provided they can be taken on discount. All discount fees shall be debited to the customer and have to remunerate us at once. Bill or check amounts will be credited only upon definite receipt of the equivalent amount.
4. If payments are overdue, we shall be entitled to charge 8% interest for delay above the respective to as set out in § 247 of the German Civil Code. If we are able to claim a higher delay damage, we shall be entitled to assert it. Purchasers on the other hand shall be entitled to provide evidence that due to such payment delays we have either not been suffering any damage or to a much lesser extent.
5. If the purchaser will not pay its money when due or if a serious deterioration in its financial position has been incurred, we shall be entitled to make payable the entire remaining amount due, even though we already have accepted bills or checks from the purchaser. In such particular circumstances we shall be entitled to ask for prepayments or securities and to refuse fulfillment of our obligations until we have received such prepayments or securities.

If such requests will not have been fulfilled within the suitable period specified by us, we shall be justified to withdraw from the contract and/or to claim damages because of non-performance. In case of cessation of payments or over-indebtedness, an additional period of time will not be granted.

6. We shall be entitled to set off all purchaser's outstanding accounts payable to us against our outstanding accounts payable to purchaser. The purchaser's setting off rights will be acceptable only if its counterclaims have been asserted to be legal, undisputed, and approved by us. For any disputed counterclaims, purchaser shall be not able to assert any right of retention.
7. In the case of a delay with more than one liability, the complete claim against the Buyer is immediately due for payment.
8. Our claims have been relinquished in favour of the Deutsche Factoring Bank, Bremen.

## Section III. Reservation of Proprietary Rights

1. All produce supplied shall remain our sole property until all outstanding accounts payable to us which we are entitled to against the purchaser for any legal reason have been paid.

If for exceptional reasons the purchaser receives from us an acceptor's bill, this reservation of proprietary rights shall secure our claims under our right of recourse against the purchaser in case of any recourse based on the bill.

2. Processing, converting and incorporating with other products shall be carried out for us as the manufacturer, yet without any risk on our part. If due to incorporation, our (co) ownership shall cease, it shall be agreed even now, that the (co) ownership in the new product shall devolve to us on the pro rata basis of its invoice value of our product to the other products at the time of processing. Purchaser shall hold our (co) property in trust for us free of charge. Any products in which we have a co-ownership, shall be termed 'reserved goods'.

3. Purchaser shall be entitled to process and sell the reserved goods in the ordinary course of business, in as much as the purchaser discharges its business relationship obligations towards us in due time. Any authorization to transfer the sale to any third parties shall be excluded if between the purchaser of the reserved goods and its clients a covenant against assignment is in existence. The purchaser shall not be entitled to pawn the reserved goods, nor pledge them as collateral security. Purchaser shall assign to us even now by way of collateral security any outstanding accounts and rights in the sale goods or in any other respect, (e.g. insurance, illicit act regarding the reserved goods).

If we have only a co-ownership in any reserved product, the anticipatory assignment shall be limited to the part of the claim in keeping with the participation of our co-ownership (based on the invoice amounts).

4. Purchaser shall be authorized revocably by us to collect any outstanding accounts on its own account and in its own name. This collecting authority can be revoked if the purchaser does not discharge its contractual payment obligations towards us in due time. In case of a justified revocation, the purchaser shall be obliged to name any debtor/s of the assigned outstanding accounts and inform such debtor/s of the assignment.

This will apply particularly if any third party shall assert any warranty claim in opposition to the purchaser's accrued outstanding accounts.

Price reductions due to defects and set-offs due to compensation for damage have to be set off against any part of the outstanding accounts not assigned to us. In as much as the purchaser has agreed to a preferred partial assignment in favour of other trade creditor, this section shall apply with the purpose, that the purchaser may collect the partial outstanding accounts ceded to us jointly with the preferred partial outstanding accounts.

5. Purchaser shall be obliged to inform us without delay of any third party's execution enforced on the reserved goods and shall instruct such third party about their being our property.
6. If purchaser is in default - such as delay of payments - we shall be entitled to request a temporary surrender of the reserved goods without granting a grace period, and at purchaser's expense - in handing over or dispatching the goods to us - or possibly requesting assignment of purchaser's rights of recovery towards any third party.

Such surrender or seizure of the preferred goods to and by us does not imply contract withdrawal. This section shall also apply if a serious deterioration of the purchasers' assets becomes evident.

7. Upon purchaser's request we agree at our own discretion to release the above collateral securities, in as much as the amount exceeds the value of our claim to be secured by more than 10%.
8. Purchaser shall also cede to us its claims to secure our claims against purchaser, which due to the connection of the purchased matter with a piece of real estate will be raised against any third party.
9. We shall be entitled to insure the reserved goods against all risks of any kind at purchaser's expense, unless upon being requested by us, the purchaser submits evidence of a respective insurance policy. Any part amount owing to us claimed and paid out of this insurance shall be ceded to us in advance when entering into any respective contract. We shall be entitled to inform the insurance company of such cession.

## Section IV Delivery and Lead Time

1. Unless any deviating specification is to be found in the order confirmation, delivery shall be "ex works" e.g. "ex warehouse". The risk of loss or damage of the goods shall pass to the purchaser as soon as the goods have been handed over to the haulage contractor, latest when they are removed from our warehouse. This holds also true if "carriage or freight paid" has been agreed, and in case of partial deliveries or if any additional services of some other kind have been performed out by us.

2. Insurance of the goods against any transport risks shall take place only upon purchaser's express request and at purchaser's costs.

3. Delivery quoted by us shall commence only when all technical details have been clarified and will not be binding, unless a commercial transaction at a fixed

date has been expressly agreed. Lead times shall commence upon receipt of our order confirmation. Date of delivery shall mean receipt of the goods in the home country.

4. To an extent reasonable for the purchaser, we shall be free to carry out partial deliveries.

5. We shall be entitled to delay or cancel delivery expected from us or to reduce the amount delivered if we are prevented from or hindered in or delayed through any circumstances beyond our control as for instance strikes, lock-outs, transport obstacles, shortage or out of stock of raw materials, measures taken by public authorities – also experienced by our suppliers – during any period such as force majeure, conditions will subsist. Damages – as far as legally permissible – may not be claimed under these conditions.

6. If purchaser suffers any damage due to any delay caused by us, purchaser shall be entitled to compensation. Such entitlement shall be justified if we have not observed a given period of grace granted by the purchaser to remedy any defects. The compensation amount shall be a maximum of 1% per week, but not more than 5% in total, of the delayed part of the overall shipment which has not been available in time. Any further claims shall be excluded, unless the delay is due to at least gross negligence.

If purchaser delays acceptance of the goods or culpably fails to cooperate, we shall be entitled to request purchaser to remunerate any damage suffered by us including any possible additional costs. In this case the risk of loss or damage of the purchased goods will devolve to the purchaser, as soon as purchaser is in delay of acceptance of the goods.

7. Should the customer require a Proof of Delivery (POD) on the ordered goods, they will be required to pay a handling fee, provided that the goods were delivered to the consignee in accordance with the given instructions. A POD can only be requested by the customer within the usual retention period for the corresponding documentation of the haulier or carrier engaged. After this period the delivery requirements will be deemed to have been met.

## Section V Warranties and Limitation of Liabilities

1. Warranties are based on the proviso of tests and requirements to give notice of defects pursuant to § 377 of the German Commercial Code which have been carried out and complied with.

2. If any defect in the purchased product becomes evident, we shall be entitled either to remedy the defect or to replace the defective product delivered.

3. If we are not prepared or not able to remedy the defect /replace the defective product, or if due to any deficiency on our part such remedy is delayed beyond a suitable time, or if such remedy/replacement will miscarry for some reason or other, the purchaser shall have the option to withdraw from contract or to claim a respective reduction of the purchase price.

A reimbursement of expenses is excluded, insofar as the expenditure arises, due to the goods being brought to a different place following our delivery, unless this is required for the agreed use of the goods.

4. Unless in the following sections nothing to the contrary will be defined, any further purchaser's claims shall be excluded - irrespective of any legal reasons whatsoever. For any damage not incurred on the delivered product itself, we shall not be liable. Neither shall we be liable for any losses suffered in purchaser's profits or property.

5. The limitation of claims for material defects, should nothing else be agreed, is guided by the law.

6. The customer's legal right to make a claim for compensation against us arises only when the customer has not reached an agreement with his purchaser that goes beyond his statutory rights. Clause 3 of the last sentence is additionally valid concerning the extent of the claims for compensation.

7. The above release from liability shall not apply if the cause of damage is due to intentional or gross negligence (except if the damage was incurred due to the gross negligence of a person employed in performing an obligation or by any vicarious agent, or the damage is based on the violation of a major contractual obligation). Furthermore, the obligation to render compensation / liability to pay damages shall be limited to the damage likely to be expected.

8. Any delivery is according to current law - and those legal provisions which will be effective at a later date - of the European Union and The Federal Republic of Germany, e.g. REACH-regulation (regulation EG no. 1907/2006) and the law of return and ecological disposal of electrical equipment (ElektroG) as national implementation of the directive 2002/95/EG (RoHS) and the directive

2002/96/EG (WEEE).

## Section VI Joint and Several Liability

1. The limitation or exclusion of liabilities for compensation of damage referred to in section V shall apply in like manner to all claims due to default in contract conclusion, violation of subsidiary duties, in particular to claims arising out of producer's liability as set out in § 823 of the German Civil Code.

2. The regulation specified in section VI. 1 shall not apply to claims according to §§ 1.4 of the product liability law. Neither shall it apply to cases of initial incapacity or evident impossibility.

3. In as much as our liability is excluded, such an exclusion also applies to the personal liability of our staff, employees, agents and vicarious agents.

4. Any deviation in technology or construction of descriptions or specifications in sales literature, catalogues, and written documentation as well as any changes in prototypes, constructions, and materials, made in the course of technical progress, shall be reserved, without any interpretation of rights being permissible against us, in as much as this will still be acceptable to the purchaser.

## Section VII Usage Rights for Images

Any kind of exploitation or other use of photographs or other copyrighted contents which Brilliant AG on a website it maintains or publicly reproduces or makes available in any other way is prohibited. However, use can be permitted by Brilliant AG in a separate agreement.

## Section VIII Data protection

The data of the Customer shall be stored and processed by us in compliance with the statutory provisions.

## Section IX Return of goods

1. The return of defect-free goods requires our prior written agreement, otherwise we are entitled to refuse to accept the goods.

2. If we have expressly agreed to the return of the goods in accordance with clause 1. above or we accept returned defect-free goods, we are entitled to invoice the Customer with processing costs to the amount of 30 % of the net sales price. Furthermore, the Customer shall pay all transport costs as well as the costs for packaging, surrounding packaging and any repair.

## Section X Place of Performance, Legal Venue, and Applicable Law

1. Place of performance for our deliveries ex works shall be such selfsame works, if delivered ex warehouse, it shall be such selfsame warehouse. Place of performance for payments shall be Gnarrenburg.

2. Place of jurisdiction for all payment matters and any other disputes arising directly or indirectly from this contractual relationship is Hamburg. We reserve the right however to take legal action against the purchaser at his general place of jurisdiction. Hamburg shall be the exclusive legal venue for any across border deliveries for all litigations arising from the contract relationship.

(Art. 17, EU-GVÜ).

We reserve the right to invoke any other competent EU-GVÜ court.

3. For all business relationships and all legal relationships between the purchaser and us, solely the law of the Federal Republic of Germany shall apply. The uniform law concerning the international purchase of movable objects (EKG), as well as the United Nations Convention regarding international contracts on the purchase of goods (CISG) shall not apply.

Brilliant Aktiengesellschaft (PLC)  
Issued August 2016

## I. Allgemeines / Geltungsbereich / Angebot

1. Unsere Verkaufs- und Lieferbedingungen gelten ausschließlich; entgegenstehende oder von unseren Verkaufs- und Lieferbedingungen abweichende Bedingungen des Käufers erkennen wir nicht an, es sei denn, wir hätten ausdrücklich schriftlich ihrer Geltung zugestimmt.

Unsere Verkaufs- und Lieferbedingungen gelten auch dann, wenn wir in Kenntnis entgegenstehender oder von unseren Verkaufsbedingungen abweichender Bedingungen des Käufers die Lieferung an den Käufer vorbehaltlos ausführen. Einem Abtretungsverbot in Bedingungen des Käufers wird ausdrücklich widersprochen.

2. Alle Vereinbarungen, die zwischen uns und dem Käufer zwecks Ausführung des Vertrages getroffen werden, sind schriftlich niederzulegen.

3. Unsere Verkaufs- und Lieferbedingungen gelten auch für alle künftigen Geschäfte mit dem Käufer.

4. Unsere Angebote sind freibleibend und unverbindlich. Auf Bestellungen hin kommen alle Verträge erst mit Zugang unserer schriftlichen Auftragsbestätigung, spätestens mit Übergabe der Ware, zustande. Bestellungen können wir innerhalb von vier Wochen annehmen.

## II. Preise / Fracht / Zahlungsbedingungen

1. Die Preise verstehen sich netto zuzüglich Mehrwertsteuer und Fracht ab Werk oder Lager; es sei denn, es ist ausdrücklich und schriftlich etwas anderes vereinbart. Bei Aufträgen über einem Warennettowert von Euro 750,- verzichtet Brilliant AG auf die Geltendmachung der Fracht. Bei einem Warennettowert von Euro 750,- oder weniger berechnet Brilliant AG im Inland pauschal eine Frachtrate von 7% des Warennettwertes, mindestens jedoch Euro 12,50.

2. Die Zahlung des Kaufpreises hat innerhalb der vereinbarten Frist, mangels anderer Vereinbarungen innerhalb von 10 Tagen ab Rechnungsdatum netto zu erfolgen.

3. Wechsel und Schecks nehmen wir nur nach vorheriger Vereinbarung und unter Vorbehalt ihrer Diskontierbarkeit entgegen. Sämtliche Diskontspesen gehen zu Lasten des Kunden und sind uns sofort zu vergüten. Eine Gutschrift der Wechsel- und Scheckbeträge erfolgt erst dann, wenn uns der Gegenwert endgültig zur Verfügung steht.

4. Bei Überschreitungen des Zahlungsziels sind wir berechtigt, Verzugszinsen in Höhe von 8% über dem jeweiligen Basiszinssatz gem. § 247 BGB zu fordern. Falls wir in der Lage sind, einen höheren Verzugschaden nachzuweisen, sind wir berechtigt, diesen geltend zu machen. Der Käufer ist seinerseits berechtigt, uns nachzuweisen, dass uns als Folge des Zahlungsverzugs kein oder ein wesentlich geringerer Schaden entstanden ist.

5. Kommt der Käufer bis Fälligkeit seinen Zahlungsverpflichtungen nicht nach oder liegt eine wesentliche Vermögensverschlechterung bei ihm vor, so sind wir berechtigt, die gesamte Restschuld fällig zu stellen, auch wenn wir bereits Wechsel oder Schecks angenommen haben.

Wir sind in dem Fall außerdem berechtigt, Vorauszahlungen oder Sicherheitsleistungen zu verlangen und die Erfüllung unserer Verpflichtung bis zur Vorauszahlung oder Sicherheitsleistung zu verweigern. Wird unser Verlangen binnen einer von uns gesetzten angemessenen Frist nicht erfüllt, so sind wir berechtigt, vom Vertrag zurückzutreten und/oder Schadensersatz wegen Nichterfüllung zu verlangen. Bei Zahlungseinstellung oder Überschuldung des Käufers entfällt die Setzung einer Nachfrist.

6. Aufrechnungsrechte stehen dem Käufer nur zu, wenn seine Gegenansprüche rechtskräftig festgestellt, unbestritten oder von uns anerkannt sind.

Wegen bestrittener Gegenansprüche steht dem Käufer auch kein Zurückbehaltungsrecht zu.

7. Im Falle des Verzuges mit mehr als einer Verbindlichkeit sind die gesamten Forderungen gegen den Käufer sofort zur Zahlung fällig.

8. Unsere Forderungen sind an die Deutsche Factoring Bank, Bremen, abgetreten.

## III. Eigentumsvorbehalt

1. Sämtliche gelieferte Sachen bleiben bis zur Erfüllung aller Forderungen, die uns aus jedem Rechtsgrund gegen den Käufer jeweils zustehen, unser alleiniges Eigentum. Wird dem Käufer bei Zahlung ausnahmsweise von uns ein „umgedrehter Wechsel“ (Akzeptanten-Wechsel) gegeben, so sichert der

Eigentumsvorbehalt auch unsere Rückgriffsansprüche gegen den Käufer bei einer eventuellen Inanspruchnahme aus dem Wechsel.

2. Verarbeitung, Umbildung und Vermischung erfolgen stets für uns als Hersteller, jedoch ohne Verpflichtung für uns. Erlischt unser (Mit-)Eigentum durch Verbindung oder Vermischung, so wird bereits jetzt vereinbart, dass das (Mit-)Eigentum an der neuen Sache im Verhältnis des Rechnungswertes unserer Sache zu denen anderer verarbeitender Waren zur Zeit der Verarbeitung auf uns übergeht. Der Käufer verwahrt unser (Mit-)Eigentum unentgeltlich. Sachen, an denen uns (Mit-)Eigentum zusteht, werden im folgenden als „Vorbehaltsware“ bezeichnet.

3. Der Käufer ist berechtigt, die Vorbehaltsware im ordnungsgemäßen Geschäftsverkehr zu verarbeiten und zu veräußern, solange er mit seinen Zahlungsverpflichtungen uns gegenüber nicht im Verzug ist.

Die Ermächtigung zur weiteren Veräußerung wird ausgeschlossen für den Fall, dass im Verhältnis zwischen dem Vorbehaltskäufer und seinem Kunden ein Abtretungsverbot besteht. Verpfändungen oder Sicherungsübereignungen sind unzulässig. Die aus dem Weiterverkauf oder einem sonstigen Rechtsgrund (z. B. Versicherung, unerlaubter Handlung bezüglich der Vorbehaltsware) entstandenen Forderungen tritt der Käufer bereits jetzt sicherungshalber an uns ab. Steht uns nur Miteigentum an einer Vorbehaltsware zu, so beschränkt sich die Vorausabtretung auf den Teil der Forderung, der dem Anteil unseres Miteigentums (auf der Basis des Rechnungswertes) entspricht.

4. Wir ermächtigen den Käufer widerruflich, die an uns abgetretenen Forderungen für eigene Rechnungen im eigenen Namen einzuziehen. Diese Einziehungsermächtigung kann widerrufen werden, wenn der Käufer seinen Zahlungsverpflichtungen nicht ordnungsgemäß nachkommt.

Für den Fall eines berechtigten Widerrufs hat uns der Käufer den/die Schuldner der abgetretenen Forderung mitzuteilen und dem/den Schuldner(n) die Abtretung unverzüglich anzuzeigen. Der an uns abgetretene Forderungsteil hat den Vorrang. Dies gilt insbesondere für den Fall, dass der Dritte der dem Käufer erwachsene Forderung Gewährleistungsansprüche entgegenhält.

Minderungen und Aufrechnungen mit Schadensersatzansprüchen sind zuerst auf den uns nicht abgetretenen Forderungsanteil zu verrechnen. Soweit der Käufer eine bevorrechtigte Teilabtretung auch zugunsten anderer Warenkreditgeber vereinbart hat, gilt diese Ziffer mit der Maßgabe, dass der Käufer die uns abgetretene Teilforderung zugleich mit jenen bevorrechtigten Teilforderungen einziehen darf.

5. Bei Zugriffen Dritter auf Vorbehaltsware wird der Käufer auf unser Eigentum hinweisen und uns unverzüglich benachrichtigen.

6. Bei vertragswidrigem Verhalten des Käufers - insbesondere Zahlungsverzug - sind wir berechtigt, die Vorbehaltsware auch ohne Nachfristsetzung auf Kosten des Käufers einstweilen herauszuverlangen - durch Herausgabe oder Rücksendung an uns - oder ggf. Abtretung der Herausgabeansprüche des Käufers gegen Dritte zu fordern.

In der Zurücknahme sowie in der Pfändung der Vorbehaltsware durch uns liegt - soweit nicht das Verbraucherkreditgesetz Anwendung findet - kein Rücktritt vom Vertrag. Die vorstehende Regelung findet auch Anwendung im Falle einer wesentlichen Vermögensverschlechterung beim Käufer.

7. Die vorgenannten Sicherheiten geben wir auf Verlangen des Käufers nach unserer Wahl frei, soweit ihr Wert unsere Forderung um mehr als 10% übersteigt.

8. Der Käufer tritt uns auch die Forderungen zur Sicherung unserer Forderungen gegen ihn ab, die durch die Verbindung der Kaufsache mit einem Grundstück gegen einen Dritten erwachsen.

9. Wir sind berechtigt, die Vorbehaltsware gegen Gefahren aller Art auf Kosten des Käufers zu versichern, sofern er nicht nach einer entsprechenden Auforderung durch uns den Abschluss einer derartigen Versicherung nachweist. Ansprüche aus dieser Versicherung werden in Höhe der uns zustehenden Forderungen mit Abschluss des jeweiligen Vertrages im voraus an uns abgetreten. Wir sind berechtigt, die Abtretung dem Versicherer anzuzeigen.

## IV. Lieferung und Lieferzeit

1. Sofern sich aus der Auftragsbestätigung nichts anderes ergibt, ist Lieferung „ab Werk“ bzw. „ab Lager“ vereinbart. Die Gefahr des Untergangs oder der Beschädigung der Ware geht in dem Zeitpunkt auf den Käufer über, in welchem wir die Ware an einen Spediteur oder Frachtführer übergeben, spätestens jedoch mit Verlassen unseres Lagers. Dies gilt auch dann, wenn „frachtfrei“ vereinbart worden ist sowie bei Teillieferung oder wenn von uns noch Leistungen anderer Art übernommen worden sind.

2. Eine Versicherung der Ware gegen Transportschäden erfolgt nur auf ausdrücklichen Wunsch und Kosten des Käufers.

3. Der Beginn der von uns angegebenen Lieferzeit setzt die Klärung aller technischen Fragen voraus und ist unverbindlich, sofern nicht ausdrücklich ein kaufmännisches Fixgeschäft vereinbart wurde. Lieferfristen beginnen mit dem Zugang unserer Auftragsbestätigung. Der Liefertermin bezeichnet den Eingang beim Kunden im Inland.

4. Zu Teilleistungen sind wir in für den Käufer zumutbarem Umfang berechtigt.

5. Wird die von uns geschuldete Lieferung durch unvorhersehbare und von uns unverschuldete Umstände verzögert (z. B. Arbeitskämpfe, Betriebsstörungen, Transporthindernisse, Rohmaterialmangel, behördliche Maßnahmen - jeweils auch bei unseren Vorlieferanten - sowie nicht rechtzeitige Selbstbelieferung), so sind wir berechtigt, ganz oder teilweise vom Vertrag zurückzutreten oder nach unserer Wahl die Belieferung um die Dauer der Behinderung hinauszuschieben. Schadensersatzansprüche sind - soweit rechtlich zulässig - ausgeschlossen.

6. Sollte dem Käufer aufgrund eines von uns verschuldeten Verzuges ein Schaden erwachsen, so ist er berechtigt, eine Verzugsentschädigung zu fordern. Das Recht zur Geltendmachung setzt voraus, dass wir eine vom Käufer schriftlich gesetzte angemessene Nachfrist nicht eingehalten haben. Die Höhe der Verzugsentschädigung beträgt für jede volle Woche des Verzuges maximal 1%, insgesamt aber höchstens 5% vom Wert desjenigen Teils der Gesamtlieferung, der infolge der Verspätung nicht rechtzeitig zur Verfügung steht. Darüber hinausgehende Ansprüche sind ausgeschlossen, es sei denn, der Verzug beruht auf zumindest grober Fahrlässigkeit. Kommt der Käufer in Annahmeverzug oder unterlässt er schuldhaft die Mitwirkungspflichten, so sind wir berechtigt, von ihm zu verlangen, den uns entstandenen Schaden einschließlich etwaiger Mehraufwendungen zu ersetzen. In dem Fall geht auch die Gefahr eines zufälligen Untergangs oder einer zufälligen Verschlechterung der Kaufsache in dem Zeitpunkt auf den Käufer über, in dem dieser in Annahmeverzug gerät.

7. Verlangt der Käufer einen Liefernachweis für bestellte Ware, hat er die Nachforschungsgebühren zu tragen, sofern die Ware ordnungsgemäß beim Empfänger abgeliefert wurde. Diesen Nachweis kann der Käufer nur innerhalb der üblichen Aufbewahrungsfrist der entsprechenden Dokumente beim beauftragten Spediteur oder Frachtführer verlangen. Nach Ablauf dieser Frist gilt die Lieferungsleistung als erbracht.

## V. Gewährleistungen und Haftungsbeschränkungen

1. Gewährleistungsansprüche setzen voraus, dass die Untersuchungs- und Rügeobliegenheiten der § 377 HGB beachtet wurden.

2. Soweit ein von uns zu vertretener Mangel der Kaufsache vorliegt, sind wir nach unserer Wahl zur Mängelbeseitigung oder Ersatzlieferung berechtigt.

3. Sind wir zur Mängelbeseitigung/Ersatzlieferung nicht bereit oder in der Lage, insbesondere verzögert sich diese über angemessene Fristen hinaus aus Gründen, die wir zu vertreten haben, oder schlägt in sonstiger Weise die Mängelbeseitigung/Ersatzlieferung fehl, so ist der Käufer nach seiner Wahl berechtigt, vom Vertrag zurückzutreten oder eine entsprechende Minderung des Kaufpreises zu verlangen. Eine Kostenerstattung ist ausgeschlossen, soweit die Aufwendungen sich erhöhen, weil die Ware nach unserer Lieferung an einen anderen Ort verbracht worden ist, es sei denn, dies entspricht dem bestimmungsmäßigen Gebrauch der Ware.

4. Soweit sich nachstehend nichts anderes ergibt, sind weitergehende Ansprüche des Käufers - gleich, aus welchen Rechtsgründen - ausgeschlossen. Wir haften deshalb nicht für Schäden, die nicht am Liefergegenstand selbst entstanden sind. Insbesondere haften wir nicht für entgangenen Gewinn oder sonstige Vermögensschäden des Käufers.

5. Die Verjährung der Sachmängelansprüche richtet sich, soweit nichts anderes vereinbart ist, nach dem Gesetz.

6. Gesetzliche Rückgriffsansprüche des Käufers gegen uns bestehen nur insoweit, als der Käufer mit seinem Abnehmer keine Vereinbarungen getroffen hat, die über die gesetzlichen Mängelansprüche hinausgehen. Für den Umfang der Rückgriffsansprüche gilt ferner Ziff. 3 letzter Satz entsprechend.

7. Vorstehende Haftungsfreizeichnung gilt nicht, soweit die Schadensursache auf Vorsatz oder grober Fahrlässigkeit beruht (ausgenommen, wenn der Schaden durch grobe Fahrlässigkeit eines Erfüllungs- oder Verrichtungsgehilfen verursacht wurde, es sei denn, der Schaden beruht auf Verletzung einer vertraglichen Hauptpflicht). Im Übrigen ist die Ersatzpflicht auf den vorhersehbaren Schaden begrenzt.

8. Bei unseren Lieferungen halten wir die bei Vertragsschluss und später geltenden gesetzlichen Regelungen der Europäischen Union und der Bundesrepublik

Deutschland ein, z.B. die REACH-Verordnung (Verordnung EG Nr. 1907/2006) und das Gesetz über die Rücknahme und umweltverträgliche Entsorgung von Elektro- und Elektronikgeräten (ElektroG) als nationale Umsetzung der Richtlinie 2002/95/EG (RoHS) und der Richtlinie 2002/96/EG (WEEE).

## VI. Gesamthaftung

1. Soweit gemäß Ziff. V. unsere Haftung auf Schadenersatz ausgeschlossen oder beschränkt ist, gilt dies auch für alle Ansprüche wegen Verschuldens bei Vertragsschluss, Verletzung von Nebenpflichten, insbesondere für Ansprüche aus Produzentenhaftung gemäß § 823 BGB.

2. Die Regelung gemäß Ziff. VI. 1. gilt nicht für Ansprüche gemäß den §§ 1, 4 Produkthaftungsgesetz. Gleiches gilt bei anfänglichem Unvermögen oder zu vertretender Unmöglichkeit.

3. Soweit unsere Haftung ausgeschlossen oder beschränkt ist, gilt dies auch für die persönliche Haftung unserer Angestellten, Arbeitnehmer, Mitarbeiter, Vertreter und Erfüllungsgehilfen.

4. Technische und gestalterische Abweichung von Beschreibungen und Angaben in Prospekten, Katalogen und schriftlichen Unterlagen sowie Modell-, Konstruktions- und Materialänderung im Zuge des technischen Fortschritts bleiben vorbehalten, ohne dass hieraus Rechte gegen uns hergeleitet werden können, soweit dies für den Käufer noch zumutbar ist.

## VII. Bildnutzungsrechte

Jede Art der Verwertung oder sonstiger Nutzung von Fotografien oder sonstigem urheberrechtlich geschützten Inhalten, welche die Brilliant AG auf einer von ihr unterhaltenen Internetseite verwendet oder in sonstiger Weise öffentlich wiedergibt oder bereit hält, ist untersagt. Die Nutzung kann jedoch in einer besonderen Vereinbarung durch die Brilliant AG gestattet werden.

## VIII. Datenschutz

Die Daten des Käufers werden unter Beachtung der gesetzlichen Vorschriften von uns gespeichert und verarbeitet.

## IX. Warenrücknahme

1. Die Rücksendung mangelfreier Ware setzt unser vorheriges schriftliches Einverständnis voraus. Anderenfalls sind wir berechtigt, die Annahme der Ware zu verweigern.

2. Haben wir uns mit der Rücksendung der Ware gemäß vorstehender Ziffer 1. einverstanden erklärt oder nehmen wir zurückgesandte mangelfreie Ware an, sind wir berechtigt, dem Käufer Bearbeitungskosten in Höhe von 30 % des Netto-Verkaufspreises zu berechnen. Ferner hat der Käufer sämtliche Transportkosten sowie Kosten der Verpackung, Umverpackung und eventuellen Instandsetzung zu tragen.

## X. Erfüllungsort, Gerichtsstand und anzuwendendes Recht

1. Erfüllung für unsere Lieferung ist bei Lieferung ab Werk das Lieferwerk, bei Lieferung ab Lager das Lager. Erfüllungsort für Zahlungen ist Gnarrenburg.

2. Gerichtsstand in Zahlungsangelegenheiten und in allen anderen sich aus diesem Vertragsverhältnis unmittelbar oder mittelbar ergebenden Streitigkeiten ist Hamburg. Wir haben jedoch das Recht, den Käufer an seinem allgemeinen Gerichtsstand zu verklagen. Auch bei grenzüberschreitender Lieferung ist ausschließlich Gerichtsstand für alle Streitigkeiten aus dem Vertragsverhältnis Hamburg (Art. 17 EU-GVÜ). Wir behalten uns das Recht vor, auch jedes andere Gericht anzurufen, das aufgrund des EU-GVÜ zuständig ist.

3. Für alle Geschäftsbeziehungen und die gesamten Rechtsbeziehungen zwischen dem Kunden und uns gilt ausschließlich das Recht der Bundesrepublik Deutschland. Die Anwendung des einheitlichen Gesetzes über den internationalen Kauf beweglicher Sachen (EKG) sowie des Übereinkommens der Vereinten Nationen über Verträge über den internationalen Warenkauf (CISG) ist ausgeschlossen.
